REPORT OF COUNTY COMMISSIONERS

To the Citizens of Cheshire County:

Agreeably to the laws of the State we submit our report for the fiscal year ending December 31, 1930, together with the reports of all the other County Officers. Again we are gratified to report that the County has no outstanding notes or bonded indebtedness, having a balance on hand in the treasury December 31, 1930, of \$34,657.46.

During the year we have attended to many needful repairs in the Court House, which includes the complete renovation of the Main Court room, sheriff's office, consultation room, and upper hall, also installed four 18-inch Dome lights in the Court Room to replace three old-fashioned chandeliers. A Bubbler fountain has been placed in the main corridor and hot water installed in the various lavatories in the building. During the summer a large area of concrete was laid in the main driveway around the Court House. In June we entertained the selectmen and the overseers of the poor of the various towns in the County at the County Farm, and the occasion was one of mutual benefit. The County Farm report is given elsewhere and shows that the affairs there under the able management of Supt. and Mrs. B. F. Sherman have been very satisfactory.

The cost of supporting dependent children is constantly increasing, and we are now required to pay \$3.00 a month more on each child in all orphanages and Homes.

Due to ill health, W. E. Johnson, the veteran member of our Board, has been unable to attend to his duties the past year and is retiring from office on April 1. Our relations have always been harmonious, and we extend to him our sincere hope that his health may improve and also our best wishes for the future.

It is always gratifying to us to have the taxpayers of the County visit the County Farm and see for themselves how it is operated and if any suggestions for the betterment of its affairs or the comfort of the inmates can be made, they will be heartily welcomed and taken under consideration.

We wish to express our most hearty appreciation to the various county, city, and town officials for their cooperation throughout the year, and especially do we thank the various public spirited citizens and societies, interested in charity work, for their gifts during the year and at Christmas, thereby aiding materially in our efforts in spreading cheer at the County Farm.

FRED A. RAMSAY,
GRACE A. RICHARDSON,
County Commissioners.

We hereby certify that we have examined the books of the County Commissioners for the periods ending June 30 and Dec. 31, 1930, and find them correctly kept, with proper vouchers for all sums paid out. The amounts so paid are apparently spent judiciously and in the interest of the County. There are no outstanding bills reported.

ELGIN A. JONES,
EDWIN D. HAYWARD,
County Commissioners.

Keene, N. H., January 15, 1931.

SUPERINTENDENT'S REPORT

To the Honorable Board of Commissioners of Cheshire County:

The following is the annual report of the Cheshire County Farm for the year ending Dec. 31, 1930.

There have been the usual amount of minor repairs, made on the different buildings. The most important of which was the remodeling of the rooms above the main kitchen. This section was completely overhauled, and makes very comfortable quarters for several women and children. We are also remodeling the two old hospital wards on the third floor of the main building.

The farm has furnished the institution with the usual amount of farm produce, the potato crop was the best for a number of years and the sale of young pigs and pork was much larger than last year.

Both Mrs. Sherman and I wish to thank you for your support and co-operation during the year, and would call your attention to the efficient services of Dr. B. T. Mousley our regular physician and also Drs. Craig, Lacey and Williams who at different times attended the institution and hospital during Dr. Mousley's illness. I wish again to thank all church organizations who have assisted in conducting our religious services and to all those who sent gifts to the inmates during the year especially at Christmas time. The usual Christmas exercises were observed and all were well remembered.

Respectfully yours,

B. F. SHERMAN.

PHYSICIAN'S REPORT

To the Honorable Board of Commissioners
for the County of Cheshire:

Herewith I submit my report as physician of Maplewood Home for the year ending December 31st, 1930.

I wish to express my appreciation for the continued co-operation and assistance given me during the year by the Commissioners, Superintendent and other officials of the County, also for the excellent service rendered by all the nurses employed at the hospital. I greatly appreciate the services rendered by Drs. Craig and Williams and Lacey during the time of my inability to attend. The new Matron Mrs. Sherman has given much assistance and has shown excellent judgment during the short time in which she has been in charge.

The health of the inmates at the home and the prisoners confined at the House of Correction has been about the same as in previous years. The hospital being filled to capacity nearly the entire year.

There were 1,040 weeks—hospital care furnished in the hospital which does not include numerous number of calls to inmates and prisoners not confined in hospital building.

There were 2 major and 11 minor surgical operations performed and cared for at the hospital during the year, all of which recovered.

There were 24 deaths and 2 births during the year.

Respectfully submitted,

BAYARD T. MOUSLEY.
